

BOSF Conference Feedback

Saturday 21st May 2016 - The Studio

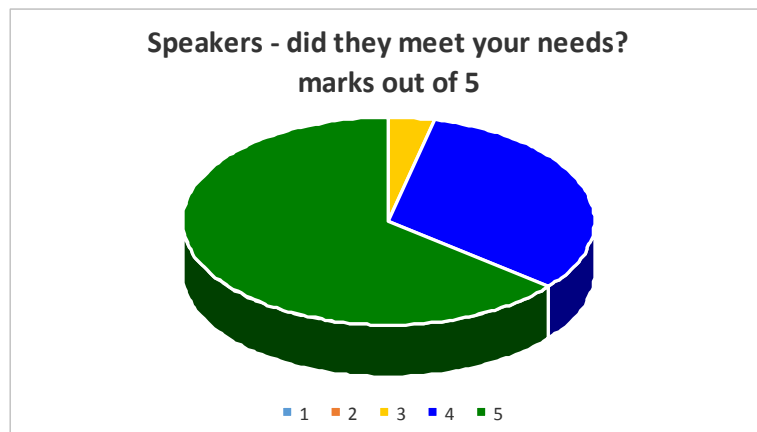

Comments

- Adequate
- Lovely
- Not enough lights switched on
- Great, but block off out of use chairs
- Very busy with 3 meetings on different floors, need reception sorted out.
- Private sector? Are there any VSC venues available?
- Great
- Can't complain a lot, such an accessible place
- The screens need to be set so that no matter where you sit you can see one

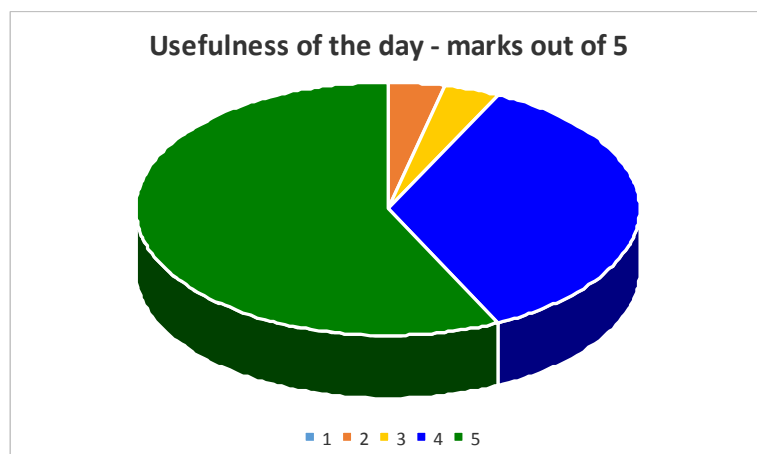

Comments

- Very good
- Quality good
- Good
- V good, needed a note to say what was in sandwiches
- Insufficient veggie selection. Could offer alternative dessert alongside fruit salad.
- Great
- More labelling on vegetarian food would be helpful
- Poor variety of healthy food
- not enough chips

Comments

- All very interesting
- Good but rushed
- More youth speakers
- Tree Warden Presentation was great
- All to use microphone
- Very good & very informative
- High quality speakers - best BOSF Conference yet1
- Good speakers. Would have liked to question Cllr Trickett

Comments

- great well-organised conference with interesting and informative speakers
- Not too early, not too late
- Interesting & valuable contacts
- Very useful
- very much so - will cascade to fellow committee members
- Not often I say that

Other comments/ useful to include

- Include art in parks & methods of community engagement
- Very well organised, thank you Sarah
- More time!
- Handouts of all emails and websites mentions
- A very good day - well organised. Breakdown of Council Budgets for parks
- Air conditioning need to be controlled more
- Very informative & good socialising
- Learnt a lot and met lots of people
- Discourage people from speaking by the coffee - made hearing difficult sometimes
- Keep up the good work
- Landscape Practise personnel to attend
- A little more table networking time, otherwise this was perfect
