Just plain annoying

Getting Help

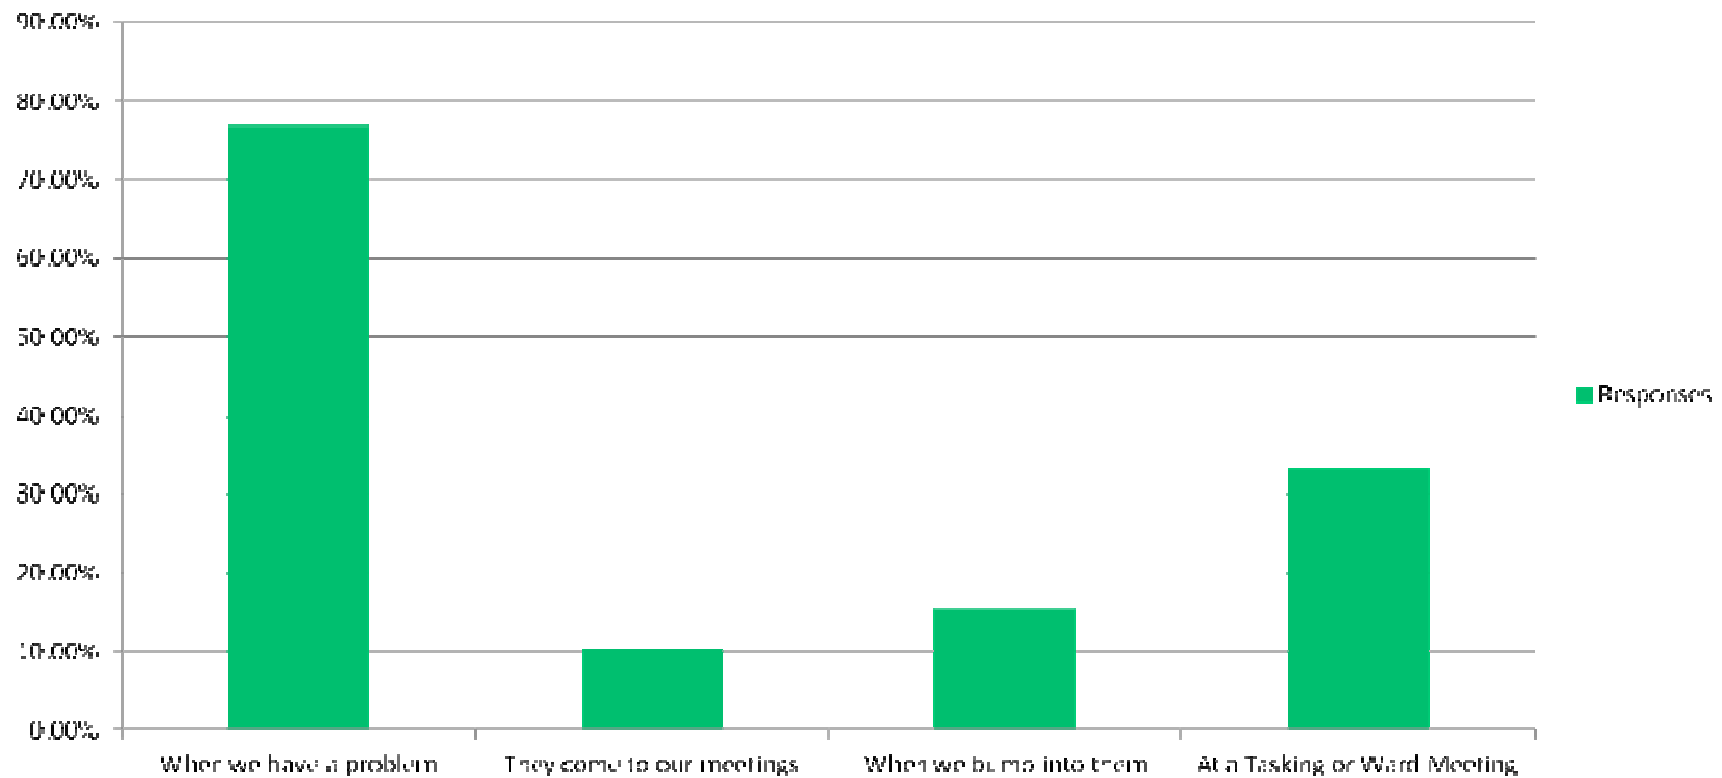

If you have reported problems to the Parks Service were they able to help?

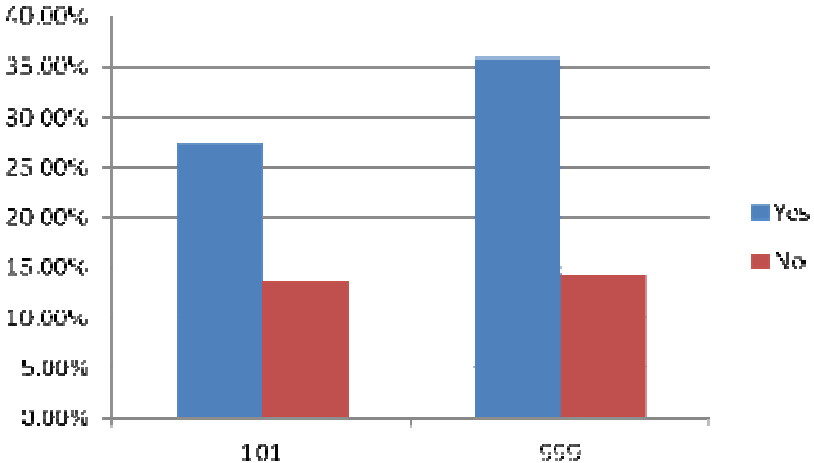

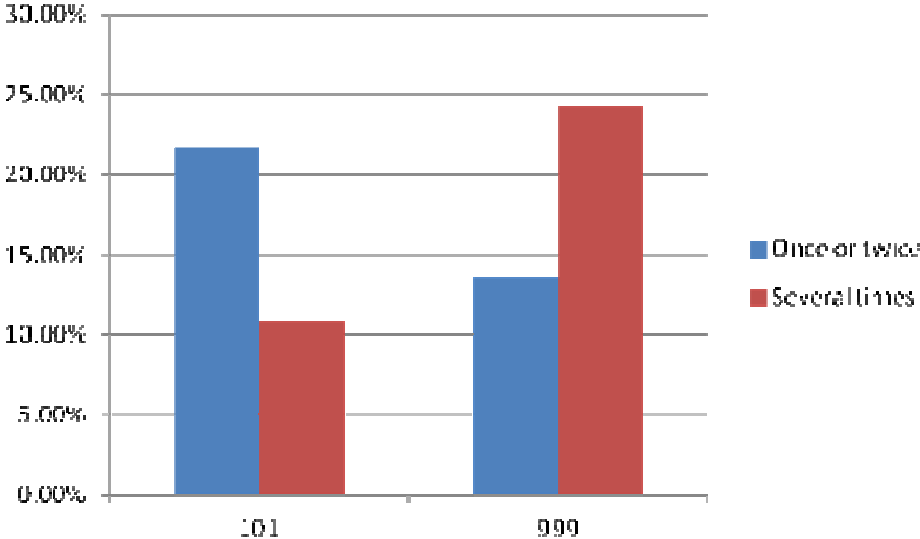

Contacting the Police

How do you make contact with your neighbourhood police team?

Dialling 999 and 101

How often have you rung the police this year?

Were you happy with the response?

So who do you ask for help?

“We don't "report" problems to Parks. We tell them and discuss issues but we deal with most problems ourselves.”

“... [we] just try to fill the park with people doing positive things”

What do we do next?

Making Contacts & Sharing Information

“Don’t be afraid, in a non-confrontational way, to comment on unacceptable behaviour”

“Get involved, take control, create a community ethos”
